CENSUS SUPERINTENDENT IN MYSORE,

To

Secretary to Government, General Department,
B a n g a l o r e.

SIR,

I have the honour to invite attention to Government Order No.G.3479/Census 13.31.2 dated the 28th October 1931 fixing the number of copies of the Tables and Report volumes for the State for the present Census as 850 and to my unofficial note No.546 dated the 2nd February 1932 on the subject of the copies of the State report to be supplied to the Government of India and reports of India and other States and Provinces to be obtained for the State. The number of copies of the State report to be printed was fixed at 850 on the understanding that 500 copies in all would be required by the Government of India and for other States and Provinces. The number which the Government of India will require has not been finally settled. But the Census Commissioner in a communication received in November 1931 has shown the number he might require as 548.

Paper for printing has been received and the tables have now to be printed off. As it is undesirable to delay printing work awaiting information about the number of copies, I am requesting the Press to strike off an extra 50 copies by way of margin for possible requisitions for more copies from the Census Commissioner. I request that in the circumstances approval of Government may be obtained to the printing of 900 copies of the Tables and Report Volumes instead of 850 as previously fixed.

I have the honour to be,
Sir,
Your most obedient servant,

M Venkatesaiyengar

Census Superintendent.
